

In summary Elvan Group...

Elvan Corporate Group's leading brand Elvan's foundations were first laid in a small candy store in Istanbul, Zeytinburnu in 1952. Chocolate artisan Ahmet Hamdi Kadiroğlu and his son Mustafa, who has been selling candy in trains since he was little, opened a small store in Zeytinburnu and this store grew rapidly when their expertise in production was combined with their skills in sales: First it has become a production atelier, then it turned into a chain of factories. From chocolate to wafer, from candy to jelly and from cakes to croissants, from waffle to biscuit, Elvan carries out production of a wide range of products and markets these products to global markets while continuing its journey with determination to get one of the first rankings within the Candy Industry Global 100 list, which lists the world's leading confectionery companies.

The group procures raw materials through the company entitled Element Gıda; pasta and milk powder production is carried out via the company entitled Cici Süt; and new technologies needed for production are developed through the company entitled Ahmet Hamdi Makine.

The group is gearing up with new investments and new purchases, also selling Elvan, ANL, Cici brands to world with Intersweet Trade Company and to Turkey with Cici Trade Company. "The sweetest relationships" is being lived from children to adults with Elvan Group. Intersweet, export company of Elvan Group succeeded to be export champion of industry and was rewarded by Istanbul Exporters Association.

Elvan who has launched first R&D center in food sector, also introduced Elvan Intelligence Club to children in order to develop their creativity and innovative skills. Mustafa Kadiroğlu encourages the children for innovation projects with children Innovation Award.

In 2013, Elvan Group has been honoured with innovation Award by Istanbul Commerce Department and in 2015 it has been rewarded with R&D leaders award by Science, Industry and Technology Ministry as well. All of them show that Elvan takes action properly for the children innovation projects.
